

AMENDMENTS TO THE SPECIFICATION

In accordance with 37 C.F.R. § 1.125(a), a substitute specification is being filed in the instant application. The patent number information of two patent documents cited as Patent Documents 1 and 2 in the specification, which was inadvertently omitted in the international application, is inserted on page 4 between the first full paragraph and the heading “Disclosure of the Invention”. The Japanese application from which priority of the instant application is claimed, describes Japanese Patent Nos. 3093159 and 2714258.

In accordance with 37 C.F.R. § 1.125(b), the Substitute Specification contains no new matter.

In accordance with 37 C.F.R. § 1.125(c), a marked-up copy of the original specification showing the amendments thereto is attached to this Amendment, as is a clean copy of the Substitute Specification.

Entry of the Substitute Specification is requested.
